Please read these Terms of Service carefully before logging in, using our website or participating in any MDISS organized event. By accessing or using any part of the site, you agree to be bound by these Terms of Service. If you do not agree to all the terms and conditions of this agreement, then you may not access the website nor use any MDISS software or services. If these Terms of Service are considered an "offer", then "acceptance" is expressly limited to these Terms of Service.

SECTION 1 – CHANGES TO OUR OFFERINGS

Any new features or tools which are added to the current MDISS website, MDRAP portal or any other MDISS offering, service or event shall also be subject to the Terms of Service. You can review the most current version of the Terms of Service at any time on this page. We reserve the right to update, change or replace any part of these Terms of Service by posting updates and/or changes to our website. It is your responsibility to check this page periodically for changes. Your continued use of or access to the website following the posting of any changes constitutes acceptance of those changes. Finally, the headings used in this agreement are included for convenience only and will not limit or otherwise affect these Terms.

SECTION 2 - ONLINE STORE TERMS

You may not use our products for any illegal or unauthorized purpose nor may you, in the use of the Service, violate any laws in your jurisdiction (including but not limited to copyright laws). You must not transmit any worms or viruses or any code of a destructive nature. A breach or violation of any of the Terms will result in an immediate termination of all of your Services.

SECTION 3 - GENERAL CONDITIONS

We reserve the right to refuse service to anyone for any reason at any time. You understand that your content that may be deemed by a reasonable professional to be "non-sensitive" (except for payment information, medical data tied to an individual and other personally identifiable information) may occasionally be transmitted "in the clear" and may involve (a) transmissions over OEM networks; and/or (b) data structure changes to adapt to the technical requirements of a connecting network or device. That being said, as a nonprofit focused on security, please be assured that we will use reasonable and thoughtful efforts to make sure information that needs protection gets protection. You agree not to reproduce, duplicate, copy, sell, resell or exploit any portion of the Service, use of the Service, or access to the Service or any contact on the website through which the service is provided, without express written permission from us. Your submission of personal information through the store is governed by our Privacy Policy, posted at www.midiss.org.

SECTION 4 - ACCURACY, COMPLETENESS AND TIMELINESS OF INFORMATION

Any reliance on the material on this site is at your own risk. Operating as a moderator of what is essentially a crowdsourced/community website, we cannot guarantee that all information posted by members, device assessors, commentators, visitors or staff members will be totally accurate, complete or current. Though we strive for these things, we are not responsible for errors, omissions nor delays. The material on this site is provided for general information only and should not be relied upon or used as the sole basis for making medical, patient safety, purchasing or public-health decisions without consulting corroboratory materials and your own expert staff. This site may contain certain historical information. Historical information is necessarily "not current" and is provided for your reference only. We reserve the right to modify

the contents of this site at any time, but we have no obligation to update any information on the site. You agree that it is your responsibility to monitor changes to our site.

We have made every effort to portray as accurately as possible the features and benefits of the initiatives and offerings that appear on the store. All descriptions of products or product pricing are subject to change at anytime without notice, at our sole discretion. As our software and services are under continuous "agile" development, we cannot guarantee that said descriptions will precisely match the software or service you receive. We do not warrant that the quality of any products, services, information, or other material purchased or obtained by you will meet your expectations, or that any errors in the Service will be corrected.

We reserve the right to limit sales of our products or Services to any particular person, geographic region or jurisdiction, and we reserve the right to limit the quantities of any products or services that we offer to any person, organization or region. If an offer is prohibited in certain geographic regions or organizational contexts, any offer made shall be considered VOID.

We reserve the right to correct any errors, inaccuracies or omissions without prior notice, and to change or update information or even cancel orders if any information in the Service or on any related website is inaccurate at any time of order, at any time, even after you've placed your order.

We undertake no obligation to update, amend or clarify information in the Service or on any related website, including without limitation, pricing information, except as required by law. You agree to promptly update your account and other information, including your email address and credit card numbers and expiration dates, so that we can complete your transactions and contact you as needed.

We shall have no liability whatsoever arising from, or relating to, your use of optional third-party tools. Any use by you of said optional tools is entirely at your own risk and discretion. You should ensure that you are familiar with and approve of the terms on which those tools are provided by the relevant third-party provider(s).

Certain content, products and services available via our Service may include materials from third-parties. Also, links on this site may direct you to third-party websites that are not affiliated with us. We are not responsible for examining or evaluating these third-party websites, nor are we responsible for the accuracy of content on those sites. We do not warrant and will not have any liability for any third-party materials or websites, or for any other materials, products, or services of third-parties encountered as a direct or indirect result of this Agreement. Likewise, we are not liable for any harm or damages related to the purchase or use of goods, services, resources, content, or any other transactions

made in connection with any third-party websites. Please review carefully the third-party's policies and practices and make sure you understand them before you engage in any transaction with them. Complaints, claims, concerns, or questions regarding third-party products should be directed to the third-party.

SECTION 10 - USER COMMENTS, FEEDBACK AND OTHER SUBMISSIONS

If, at our request you send certain specific submissions (for example contest entries) or without a request from us you send creative ideas, suggestions, proposals, plans, or other materials, whether online, by email, by postal mail, or otherwise (collectively, 'comments'), you agree that we may, at any time, without restriction, edit, copy, publish, distribute, translate and otherwise use in any medium any comments that you forward to us. We are and shall be under no obligation (1) to maintain any comments in confidence; (2) to pay compensation for any comments; or (3) to respond to any comments.

We may, but have no obligation to, monitor, edit or remove content that we determine (in our sole discretion) is unlawful, offensive, threatening, libelous, defamatory, pornographic, obscene, objectionable or in violation of any party's intellectual property, or these Terms of Service.

You agree that your comments will not violate any right of any third-party, including copyright, trademark, privacy, personality or other personal or proprietary right. You further agree that your comments will not contain libelous or otherwise unlawful, abusive or obscene material, or contain any computer virus or other malware that could in any way affect the operation of the Service or any related website. You may not use a false e-mail address, pretend to be someone other than yourself, or otherwise mislead us or third-parties as to the origin of any comments. You are solely responsible for any comments you make and their accuracy. We take no responsibility and assume no liability for any comments posted by you or any third-party.

In addition to other prohibitions as set forth in the Terms of Service, you are prohibited from using the site, its services, members or content: (a) for any unlawful purpose; (b) to solicit others to perform or participate in any unlawful acts; (c) to violate any international, federal, provincial or state regulations, rules, laws, or local ordinances; (d) to infringe upon or violate our intellectual property rights or the intellectual property rights of others; (e) to harass, abuse, insult, harm, defame, slander, disparage, intimidate, or discriminate based on gender, sexual orientation, religion, ethnicity, race, age, national origin, or disability; (f) to submit false or misleading information; (g) to upload or transmit viruses or any other type of malicious code that will or may be used in any way that will affect the functionality or operation of the Service or of any related website, other websites, or the Internet; (h) to collect or track the personal information of others; (i) to spam, phish, pharm, pretext, spider, crawl, or scrape; (j) for any obscene or immoral purpose; or (k) to interfere with or circumvent the security features of the Service or any related website, other websites, or the Internet. We reserve the right to terminate your use of the Service or any related website for violating any of the prohibited uses.

SECTION 12 - DISCLAIMER OF WARRANTIES; LIMITATION OF LIABILITY

As mentioned above, we do not guarantee, represent or warrant that your use of our service will be uninterrupted, timely, secure or error-free. We do not warrant that the results that may be obtained from the use of the service will be accurate or reliable. You agree that from time to time we may remove the service for indefinite periods of time or cancel the service at any time, without notice to you.

You expressly agree that your use of, or inability to use, the service is at your sole risk. The service and all products and services delivered to you through the service are (except as expressly stated by us) provided 'as is' and 'as available' for your use, without any representation, warranties or conditions of any kind, either express or implied, including all implied warranties or conditions of merchantability, merchantable quality, fitness for a particular purpose, durability, title, and non-infringement.

Because some states or jurisdictions do not allow the exclusion or the limitation of liability for consequential or incidental damages, in such states or jurisdictions, our liability shall be limited to the maximum extent permitted by law.

SECTION 13 – INDEMNIFICATION

Subject to **Exhibit B** and any other agreement entered into between the parties that separately addresses indemnification, each party is solely

responsible for his/her actions and omissions, and Member is solely responsible for the actions and omissions of its Member Representative(s). Member shall indemnify, defend, and hold harmless MDISS, its directors, officers, employees and agents from any third-party claims, liabilities, losses, fines, penalties, charges, judgments, damages or expenses (including reasonable attorneys' fees) (each, a "Claim") resulting or arising from Member's participating in the activities of MDISS including, but not limited to, accessing, using, or distributing information provided by MDISS, Member's employees or agents or resulting or arising from other information provided by Member hereunder. The indemnification obligations under this section shall survive the termination or expiration of this Agreement with regard to any Claim resulting or arising from actions or omissions that occur prior to the termination or expiration of this Agreement. In the event of any such Claim, MDISS shall promptly provide notice of such Claim to Member. Member shall then have the sole right to control the conduct of the claim or suit and MDISS shall reasonably cooperate in the conduct of such Claim at the expense of Member. In no event, however, may there be a settlement of any such Claim without the written consent of MDISS which consent shall not be unreasonably conditioned, delayed or withheld

SECTION 14 – SEVERABILITY

In the event that any provision of these Terms of Service is determined to be unlawful, void or unenforceable, such provision shall nonetheless be enforceable to the fullest extent permitted by applicable law, and the unenforceable portion shall be deemed to be severed from these Terms of Service, such determination shall not affect the validity and enforceability of any other remaining provisions. The indemnification obligations under this section shall survive the termination or expiration of this Agreement with regard to any Claim resulting or arising from actions or omissions that occur prior to the termination or expiration of this Agreement. In the event of any such Claim, MDISS shall promptly provide notice of such Claim to Member. Member shall then have the sole right to control the conduct of the claim or suit and MDISS shall reasonably cooperate in the conduct of such Claim at the expense of Member. In no event, however, may there be a settlement of any such Claim without the written consent of MDISS which consent shall not be unreasonably conditioned, delayed or withheld.

SECTION 15 – TERMINATION

The obligations and liabilities of the parties incurred prior to the termination date shall survive the termination of this agreement for all purposes. These Terms of Service are effective unless and until terminated by either you or us. You may terminate these Terms of Service at any time by notifying us that you no longer wish to use our Services, or when you cease using our site. If in our sole judgment you fail, or we suspect that you have failed, to comply with any term or provision of these Terms of Service, we also may terminate this agreement at any time without notice and you will remain liable for all amounts due up to and including the date of termination; and/or accordingly may deny you access to our Services (or any part thereof).

SECTION 16 - ENTIRE AGREEMENT

The failure of us to exercise or enforce any right or provision of these Terms of Service shall NOT constitute a waiver of such right or provision. These Terms of Service and any policies or operating rules posted by us on this site or in respect to The Service constitutes the entire agreement and understanding between you and us and govern your use of the Service, superseding any prior or contemporaneous agreements, communications and proposals, whether oral or written, between you and us (including, but not limited to, any prior versions of the Terms of Service). Any ambiguities in the interpretation of these Terms of Service shall not be construed against the drafting party.

SECTION 16 - GOVERNING LAW

These Terms of Service and any separate agreements whereby we provide you services shall be governed by and construed in accordance with the laws of New York.

SECTION 17 – MDISS MEMBERSHIP

WHEREAS, MDISS' mission is to protect public health and well-being by advancing computer risk management practices to ensure wide availability of innovative and safe medical devices through collaborative innovation activities with providers, payers, manufacturers, universities, government agencies, technology companies, individuals, patients, patient advocates and associations; and WHEREAS, Member is interested in being a user of MDISS services and software, and an MDISS member so it can participate in MDISS' activities; NOW, THEREFORE, for and in consideration of the premises and the mutual covenants contained herein and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the parties hereto covenant and agree as follows:

1. **Membership.** Upon payment of the dues set forth in Section 2, Member shall become a member of MDISS and shall be able to send representatives who are employed by Member ("Member Representative(s)") to participate in MDISS' activities.
2. **Member Benefits.** Each Member shall have the benefits listed on [Exhibit A](#) in addition to access to the Medical Device Risk Assessment Platform ("MDRAP") in accordance with the terms and conditions attached hereto as [Exhibit B](#).

3. **Dues.** Membership dues are described in Exhibit C. Membership dues are subject to change. Member will be given a minimum 30 days written notice ahead of any change in dues or fees. Except as provided in Section 12, dues for the initial term of this agreement are non-refundable in the event of early termination.
4. **Term.** This Agreement shall have an initial term of twelve (12) months which is effective from the Initiation Date specified in Exhibit C, and shall continue (if renewed) for successive twelve (12) month periods on the Renewal date, also specified in Exhibit C. Either party must give notice of its intent not to renew at least thirty (30) days prior to the expiration of the then current membership term.
5. **Termination.** Notwithstanding anything to the contrary contained herein, Member may terminate its participation in MDISS at any time upon MDISS's receipt of notice thereof. In addition, this Agreement shall terminate automatically, if: (a) Member is no longer a member in good standing of the MDISS (including via material breach of this Agreement); (b) Member no longer satisfies all of the eligibility criteria for MDISS membership; (c) Member is dissolved or liquidated; or (d) MDISS is dissolved. Termination of membership shall not relieve the Member of any obligations that arose prior to such termination (including, without limitation, the payment of any dues that accrued prior to such termination), or limit any liability that Member may otherwise have to MDISS.
6. **Use and Disclosure of Information.** General discussions and information exchanged by Members at meetings of MDISS are non-confidential. Member grants MDISS the right to use any and all data entered into MDISS systems by the Member in furtherance of MDISS' public health mission provided such data and its use in any papers or reports in support of MDISS' public health mission is de-identified, de-tagged and aggregated such that none of the data is attributable to the Member unless the Member provides written consent.
7. **MDISS Work Product.** All intellectual property of the Member contributed to MDISS by the Member shall remain the intellectual property of the Member. However, MDISS owns the compilation of collective work of all participants in MDISS' activities ("MDISS Work Product") and has the non-exclusive, irrevocable, royalty-free, worldwide rights (i.e., a license) to use the contribution in connection with the development of the Work Product for which the contribution was made. Members are solely responsible for determining whether disclosure of any contributions that they submit to MDISS requires prior consent of other parties, and if so, to obtain it. Member agrees to execute any document or instrument MDISS deems reasonably necessary to enable MDISS to apply for, prosecute, and obtain copyrights, patents, or other proprietary rights in order to transfer to MDISS all rights, title, and interest in said Work Product.
8. **Co-Marketing Allowed.** MDISS may identify Member publicly in marketing materials as a member of MDISS on the MDISS website or otherwise. Each party may use the other's name and logo (collectively, "Marks") of the other on a non-exclusive basis during the Term, in connection with (a) MDISS membership drives, events or work product, and Member's status as a Member, and (b) identifying joint projects and/or information shared according to the terms of this Agreement. No other use of either party's Marks is permitted except with such party's prior written permission.
9. **Limitations.** A Member's participation in MDISS and a Member's use/submittal of intellectual property from/to MDISS is on an "as is" basis, without warranties or conditions of any kind, either express or implied including, without limitation, any warranties or conditions of title, non-infringement, merchantability or fitness for a particular purpose. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO EACH OTHER OR TO ANY MEMBER FOR INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOST PROFITS) ARISING FROM ACTS UNDER THIS AGREEMENT EVEN IF SUCH PARTY OR MEMBER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING THE FOREGOING, NO LIMITATION OF EITHER PARTY'S OR ANY MEMBER'S LIABILITY SHALL APPLY WITH RESPECT TO ANY CLAIMS BASED ON SUCH PARTY'S WILLFUL MISCONDUCT OR GROSS NEGLIGENCE.
10. **Member Organizations in Competition.** The Members are committed to fostering open competition, and MDISS does not intend to hinder such competition in any way. Each Member acknowledges that it may find competitors among the larger MDISS membership. Members that may be perceived to be competitors shall treat each other with respect in a most professional manner. All members agree to act in compliance with state, federal and international antitrust laws and regulations. Thereto: Member agrees not to communicate with the "competing" Member(s) in a manner that may violate such laws (which may include communicating prices, costs, production levels or other similar information).

SECTION 18 -- Amendment. Member agrees that MDISS is authorized to amend this Agreement subject however to the following provisions and further provided that such amendment does not impose any material obligations upon Member. Member will be given notice in accordance with Section 12 of this Agreement of any changes to this Agreement (except that only electronic mail notice shall be required). In the event that Member objects to any amendment to this Agreement, Member's sole remedy shall be to terminate this Agreement within 10 business days after Member's being advised of the amendment. Members will receive a pro rata refund of any fee paid by Member to MDISS that applies to the period after termination for amendments to this Agreement found to be unacceptable to Member. With respect to the subject matter hereof, this Agreement shall supersede any other prior agreement between you and any other MDISS member. MDISS members shall not enter into "side agreements" with other members regarding MDISS technologies, tools, services or practices without first obtaining written permission

from MDISS. Except with respect to policies, guidelines, and procedures that may be adopted by MDISS, you and every Member agrees to comply with all applicable laws and regulations while participating in MDISS.
